Petition Under 37 CFR 1.183
Reply to Office Action of May 21, 2004

- (1) On or about March 3, 2004, Mr. John Swiatocha of the Patent Department of Pratt & Whitney received a letter, dated March 1, 2004, from our attorneys at McCormick, Paulding & Huber LLP (copy enclosed). This letter informed us that the Examiner in an Office Action dated December 4, 2004 [sic, 2003] objected to the Declaration in the above-referenced patent application and requested our assistance in obtaining signed and dated copies of an enclosed a Supplemental Declaration from inventors:

Amy Serwinowski,
Jeffery Simpson,
Gregory Chetta and
Robert Rozelle.
- (2) On March 5, 2004, I attempted to contact inventor Chetta via a first e-mail and a follow-up e-mail (undated) requesting his assistance in determining the whereabouts of inventors Serwinowski, Simpson and Rozelle (copies enclosed).
- (3) Not receiving any reply to my e-mails as mentioned in item (2), on April 15, 2004, I forwarded a copy of the Supplemental Declaration to inventor Chetta via internal correspondence at Pratt & Whitney (copy enclosed).
- (4) On May 21, 2004, I informed the attorneys at McCormick, Paulding & Huber of my failed attempts to contact the four inventors via e-mail (copy enclosed).
- (5) On June 1, 2004, I contacted Pratt & Whitney Human Resources via e-mail in an attempt to get current contact information for inventor Chetta. I was directed to contact CSC Human Resources at 860-290-2191, as Human Resources records indicated that inventor Chetta had transferred to CSC (copy enclosed).

I communicated these attempts to contact the inventors to the attorneys at McCormick, Paulding & Huber via e-mail on June 7, 2004 (copy enclosed).
- (7) On June 29, 2004, in response to an e-mail received from the attorneys at McCormick, Paulding & Huber, I provided them with the last known addresses that I had for the four inventors as follows:

We are in receipt of a letter from our outside counsel handling your patent application entitled "Method and System for Designing Frames and Cases". Outside counsel is informing us that the U.S. Patent Office has objected to the Declaration which was filed with the application on June 30, 2000 because four of the inventors did not date the form. Therefore, we need to have these four inventors sign and date another Declaration. You are one of the inventors. I looked up the other inventors but cannot locate them so I presume they are not with the company any longer. The other inventors are:

Amy Serwinowski, 6798 Cypress Cove Circle, Jupiter, FL 33458
Jeffery Simpson, 13245 St. Tropez Circle, Palm Beach Gardens, FL 33410
Robert Rozelle, 29022 Creekbend Drive, Farmington Hills, MI 48331

Do you know the whereabouts of these three inventors and do you know if these addresses are correct? Once I hear from you, I will forward the Declaration to you for signature and then hopefully you can forward this to the other inventors. We need to submit this signed and dated Declaration to the U.S. Patent Office as soon as possible so I would appreciate hearing from you soon.

Thank you for your assistance in this matter.

Subject: Your Ref.: 3309P-114 - Our Ref.: F-8008

This is in response to your letter to John Swiatocha dated March 1, 2004 regarding a supplemental Declaration for the U.S. case. I apologize for not responding to you earlier. I have sent Gregory Chetta two emails asking him if he knows the whereabouts of the additional inventors that need to sign and date the new Declaration as I cannot locate them. I did not hear back from Greg so I forwarded the Declaration to Greg on April 15th for his execution. I have since sent him an email asking him to forward the Declaration back to me but again have not heard from him. His telephone number is not listed anywhere so I can't call him.

I wanted to send you this email message to let you know that I have not forgotten about this Declaration. I am going to speak with John Swiatocha again to find out what should be done. I will be in touch again once we have investigated further on this matter. If you have any suggestions, please let us know. If you have any questions, please contact us.

Thanks,

Further to my recent email to you regarding the Declaration and Power of Attorney, we are still unable to contact Gregory Chetta. I have called HR and CSC HR. I was given a number to call for Greg but the number is out of order. Can you file this document without his signature/date indicating to the Examiner that we cannot locate him? I still have to try and get the other inventors to sign and date the document. Please let me know if you want to me try and obtain what signatures I can? Thanks.
